Remarks

In an Office Action dated March 27, 2007 the Examiner issued a restriction requirement. In that Office Action the Examiner grouped the then extant claims into two groups. Group 1, comprised of Claims 1-16, were said to be drawn to a saccadic-motion detection device and system or detecting saccadic eye movements. Group II, comprised of Claim 17-34, was said to drawn to a system for detecting saccadic eye movements and method of processing saccadic motion materials. The Applicant hereby elects the claims of Group I, namely Claims 1-16 without traverse.
